
Arts for All - Cypress City

About this Community

Arts for All envisions a city where creativity is visible on every block and artists can afford to stay. Candidate Talia Greene has managed public art programs and venue grants and wants transparent, fair processes that grow local talent.

We'll publish clear RFPs, diversify panels, and fund small venues alongside marquee institutions. Youth apprenticeships, accessible performances, and a live map of installations make the arts part of everyday life.

Join the conversation, propose sites, and help shape a fair, vibrant cultural ecosystem.

Sample Rules / Principles

- **Artist Housing & Workspace Support**

Zoning for live/work, shared studios, and small rehab grants to keep artists local.

- **Accessible & Inclusive Programming**

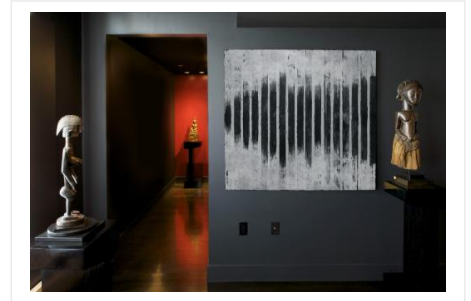

Sensory-friendly shows, ASL interpretation, and ADA audits across venues.

- **Citywide Installations Map**

An interactive map with QR codes and artist bios; open data for reuse.

- **Grant Scoring Transparency**

Publish criteria, panel makeup, and anonymized score distributions.
