## About this Community

Harbor City AA Fellowship is a safe and welcoming recovery community for people seeking sobriety through the Twelve Steps and Twelve Traditions of Alcoholics Anonymous.

Founded on anonymity, mutual support, and service, the fellowship provides a structured yet flexible environment where members can share honestly, find sponsors, and participate in step work at their own pace.

We host open and closed meetings, newcomer orientations, speaker nights, step studies, and sober social events. We emphasize confidentiality, respect, and the dignity of every individual.

Our group collaborates with nearby fellowships to exchange experience and strengthen the local recovery network without affiliating with outside entities. Transportation assistance and hybrid access are provided where possible.

All decisions are guided by our primary purpose: to stay sober and help other alcoholics to...
