
Georgia Film Crew Network

About this Community

Georgia Film Crew Network empowers crews, coordinators, and producers to run safer, kinder, and more efficient sets from Atlanta to Savannah.

We standardize policies for safety briefings, intimacy coordination, turnaround, call sheet confidentiality, neighbor relations, and green practices.

Sample Rules / Principles

• On-Set Etiquette and Comms

Radio discipline (no crosstalk); quiet on set; respect department zones. Why this matters: “On-Set Etiquette and Comms” codifies shared expectations so members reduce risk, respect partners and customers, and move...

• Meals, Crafty, and Allergens

Label common allergens; provide vegetarian/vegan options. Why this matters: “Meals, Crafty, and Allergens” codifies shared expectations so members reduce risk, respect partners and customers, and move faster together...

• Green Set Practices

Water refill stations, composting, and idle-reduction for trucks. Why this matters: “Green Set Practices” codifies shared expectations so members reduce risk, respect partners and customers, and move faster together...

• Child Performers Compliance

Follow GA law on hours and schooling; guardian present at all times. Why this matters: “Child Performers Compliance” codifies shared expectations so members reduce risk, respect partners and customers, and move faster...
