About this Community

Augusta Cyber & GovTech SMB Network helps small vendors meet security expectations and partner ethically with public-sector buyers.

We define baseline security, proposal ethics, teaming norms, demo environment rules, and response drills.

Sample Rules / Principles

- **Lunch-and-Learn Etiquette**

Content first; no bait-and-switch; slides shared post-session. Why this matters: "Lunch-and-Learn Etiquette" codifies shared expectations so members reduce risk, respect partners and customers, and move faster together...

- **Secure Remote Work**

Hard disk encryption, screen locks, and minimal local data. Why this matters: "Secure Remote Work" codifies shared expectations so members reduce risk, respect partners and customers, and move faster together without...

- **Vendor Risk and Subprocessors**

Maintain an inventory and minimum controls for subs. Why this matters: "Vendor Risk and Subprocessors" codifies shared expectations so members reduce risk, respect partners and customers, and move faster together...

- **Incident Response Exercises**

Run tabletop twice a year; keep contact trees current. Why this matters: "Incident Response Exercises" codifies shared expectations so members reduce risk, respect partners and customers, and move faster together...
