
Midtown Tenants & HOA Forum

About this Community

Midtown Tenants & HOA Forum is a practical guide written by and for participants. It favors clarity over jargon and ships with checklists, not lectures. We welcome feedback and publish revisions on a regular cadence.

Sample Rules / Principles

• Safety and Access Control

Report lost fobs immediately; no copying keys without authorization. Quick-Start Checklist: - Read the posted one-pager before your first session. - Confirm you meet the prerequisites and time window. - Identify the...

• Move-In/Out Scheduling

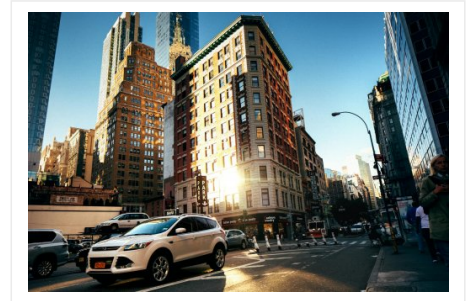

Reserve elevators; protect walls; deposit returned if no damage. Quick-Start Checklist: - Read the posted one-pager before your first session. - Confirm you meet the prerequisites and time window. - Identify the point...

• Disputes and Mediation

Start with neighborly conversation; escalate via board if unresolved. Quick-Start Checklist: - Read the posted one-pager before your first session. - Confirm you meet the prerequisites and time window. - Identify the...

• Balconies and Exterior Changes

No grills where prohibited; request approval for alterations. Quick-Start Checklist: - Read the posted one-pager before your first session. - Confirm you meet the prerequisites and time window. - Identify the point of...
