---

## About this Community

Peachtown Cowork & Incubator maintains working SOPs so newcomers and veterans operate safely. We iterate in the open and audit ourselves regularly. We welcome feedback and publish revisions on a regular cadence.

## Sample Rules / Principles

### • Startups and Mentor Hours

Book 25-minute slots; come prepared; feedback private. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute —...

### • Security and Incident Reporting

Report issues in app; cameras review by staff only. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute — follow...

### • Kitchen and Shared Supplies

Label food; clean spills; communal coffee fund honored. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute —...

### • Network and Printing

Respect fair use; large print jobs after 6pm. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute — follow the...
