
Atlanta CERT & Neighborhood Resilience

About this Community

Atlanta CERT & Neighborhood Resilience maintains working SOPs so newcomers and veterans operate safely. We iterate in the open and audit ourselves regularly. We welcome feedback and publish revisions on a regular cadence.

Sample Rules / Principles

• Drills and After-Action

Document lessons; assign owners; follow-up tasks. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute — follow the...

• Heat/Cold Waves

Cooling/warming center triggers; volunteer shifts. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute — follow...

• Coordination with City

Know ICS basics; handoff to professionals cleanly. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute — follow...

• Damage Assessment

Triage colors; photo logs; report via SMS if needed. Standard Operating Procedure: 1) Scope — define what will happen and who is accountable. 2) Prep — collect materials, confirm times, share risks. 3) Execute — follow...
