
Movies & TV Club

About this Community

A place to discover films and television, exchange thoughtful recommendations, and choose shared watches together. Start with a spoiler-free recommendation, help shape our watchlist, or vote on the first watch theme. All experience levels are welcome. The community team publishes starter discussions; members decide what we build next.

Sample Rules / Principles

- **Share legal access and protect privacy**

Use official trailers, legitimate availability links, and your own writing. Do not share pirated copies, account passwords, private contact details, or full copyrighted scripts. Participation does not require buying a...

- **Keep spoilers clearly marked**

Put a clear spoiler warning before revealing major plot details and name the film, episode, or season involved. Keep recommendation threads spoiler-free unless their title says otherwise.

- **Discuss the work, respect the person**

Different tastes are welcome. Explain what worked or did not work for you without attacking other members. These are starter guidelines from the community team, not a record of a member vote. Members can suggest...
