
John Mayer for City Council - District 3

About this Community

John grew up riding his bike through these streets and playing in our parks. Over the years, he's seen our city grow, but also seen neighbors struggle with rising costs, crumbling sidewalks, and feeling unheard by leadership.

He's not a career politician, he's a neighbor, a father, and a small business supporter who believes the City Council should work for you. John's priorities are clear: keep our neighborhoods safe, make it easier to start and grow a business, and listen to residents before making decisions that affect them.

John's vision: A city where every voice matters and every block thrives.

John believes in transparent, accountable leadership and is committed to ensuring that every resident's voice is heard. His platform focuses on improving infrastructure, supporting local entrepreneurs, enhancing public spaces, and fostering a more inclusive city government.
