
Greenfield City Vision 2025

About this Community

Greenfield City Vision 2025 is a forward-thinking initiative to shape the future of our city through inclusive, sustainable, and practical solutions. Led by mayoral candidate Maria Thompson, this jurisdiction serves as a platform for residents to discuss, propose, and vote on key ideas that can improve education, strengthen local businesses, and enhance public spaces. Together, we aim to turn shared community values into actionable policies that benefit all.

Maria Thompson is a lifelong Greenfield resident, former public school teacher, and community organizer with over 15 years of hands-on experience tackling local challenges. She believes in practical solutions backed by community input, and she's running for Mayor to ensure every voice is heard in shaping Greenfield's future.

Over her career, Maria has successfully launched neighborhood literacy programs, advocated for small...

Sample Rules / Principles

- **Climate-Ready Infrastructure and Flood Mitigation**

Implement a capital plan that prioritizes green stormwater infrastructure—rain gardens, permeable alleys, and detention under parks—in flood-prone basins. Street reconstructions will be designed to 2050 rainfall...

- **Municipal Broadband Pilot**

Pilot open-access fiber in two neighborhoods with historically high internet costs and low adoption. The city will build neutral infrastructure that multiple ISPs can lease, driving competition and lowering monthly...

- **Affordable Housing Preservation Fund**

Create a dedicated fund to preserve at-risk affordable units by acquiring properties with expiring affordability, assisting small landlords to rehab in exchange for deed-restricted rents, and supporting tenant-led...

- **Open Budget & Contract Transparency Portal**

Launch an interactive portal that shows every dollar of the municipal budget and all active contracts in machine-readable format. Residents will be able to search by department, vendor, neighborhood, and fiscal year,...
