

The Art of Composition

Featured Principles

- **Rule of Thirds**

The rule of thirds divides the image into nine equal parts using two vertical and two horizontal lines....

- **Balance of Elements**

Balance distributes visual weight across the composition. Large shapes, bold colors, or heavy textures feel...

- **Leading Lines**

Lines guide the eye. Roads, rivers, beams of light, or even a character's gaze create invisible pathways....

- **Negative Space**

Negative space is not empty. It defines the subject and gives it breathing room. A crowded composition...

- **Hierarchy of Focus**

A composition works best when there is a clear order. The eye should know what to see first, then second,...
